HELP WANTED!

The books sales would not be possible without an army of volunteers. Every sale requires people to help set things up ahead of the sale, and take them down after the sale. During the sale there is a need for cashiers and straighteners. None of these tasks requires much training or skills (well, a basic knowledge of math is needed for the cashiers!), but all are vital to the success of the sales.

While the book sale committee individuals (Allison, Cindy, Leeanne, Sandy and Silvia) practically live at the library the week of the sale, such dedication is not a requirement for other volunteers. All that the committee asks is for you to volunteer a minimum of two hours to work a shift at some point during the sales. Of course, you are welcome to volunteer for more than two hours if you are so inclined.

We are also looking for a few new FOL board members!

The Board meets the first Tuesday of the month (except July and August) in the library board room at 7:30. Meetings generally last less than 90 minutes and you get to learn all the "behind the scene" info as well as hang out with some other awesome book lovers! As a board member you are asked to volunteer at the book sales for a small time slot. This allows you to shop even earlier at the volunteer book sale night and avoid the crowds!
