Miss Humblebee's Academy is a fun, interactive, and award-winning, online kindergarten-readiness learning solution for children ages 3 to 6. With hundreds of lessons in Math, Science and Social Studies, Language and Literacy, Art, and Music, the curriculum increases in difficulty as the user progresses through the program. *Miss Humblebee's Academy* assess cognitive skills at regular intervals for measurable improvement toward kindergarten readiness and offers a developmental observation checklist allowing parents to review and record social and emotional growth as an additional condition of preparedness. Parents can track their child's learning outcomes through weekly progress reports that are emailed and available online 24/7.

Miss Humblebee's Academy can be accessed at the library, home, or on-the-go via smart phones, iPads, and tablets. Approximately twenty percent of the curriculum is available offline in the form of printables and practice worksheets.
