General Info

Cosplay Guidelines

Cosplay or “costume play” is welcome at FanCon! We ask that attendees follow these guidelines:

- **No realistic weapons.** Prop weapons should be made of plastic or foam. No real weapons are allowed at FanCon (e.g. swords).
- **Cosplay is not consent.** If you would like to take a picture with or of a presenter or FanCon attendee, always ask first and respect that person’s right to say no. Please report any issues to the Command Center on the first floor.

Tips for the Day

Whether this is your first or 100th convention, here are some tips to help you navigate FanCon:

1. **Plan ahead.** Take a look at the schedule and plan out your day in advance. There’s so much to do! Check the Onsite Registration and Limited Sessions information and plan to get to these sessions early.
2. **Parking.** Due to the POW! Pavilion, parking in the library parking lot will be limited during FanCon. Please park across Vail Ave. in Commuter Lot S free of charge. This is reserved for library customers for the duration of FanCon.
3. **Check in at the Command Center.** Make the Command Center your first stop at FanCon. It will be up and running at 11:30 a.m. for you to pick up your badge and to ask questions.
4. **Be prepared to chat.** Don’t be shy! Talk to artists in the Hendrickson Room about their craft, ask presenters questions at their sessions and speak with cosplayers about their costumes.
5. **#ahmlfancon is the best way to share your FanCon experience.** What did you see? Who did you hear from? What did you learn? The world wants to know!

Questions? Ask a staff member in a red FanCon T-shirt if you have questions. You can also always report to the Command Center on the first floor.
