Village Parking Garage Rehabilitation Program Begins 6/20

On April 7th, the Village Board approved a comprehensive Parking Garage Rehabilitation Program for all Village-owned parking garages. Rehabilitation efforts include aggressive maintenance that addresses structural concrete cracks, leaks, spalls, scaling, joint sealant deterioration, and waterproofing. These annual rehabilitation efforts at the parking garages ensure the long-term stability of the Village's parking infrastructure while minimizing costly emergency repairs down the road.

North Garage

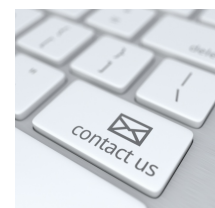

- Construction Start Date: Friday, June 20, 2025
- Construction End Date: Friday, August 15, 2025
- Estimated Duration: Approximately eight weeks
- Parking Restrictions: No commuter parking will be permitted within the North Parking Garage during construction.
- Details: Closures will begin on the garage's top deck and construction crews will continue to work their way down until all maintenance work has been completed. Residents who are permitted to park in this garage may use parking spaces designated for commuter parking during this time.
- Alternative Parking: Numerous nearby lots will be available for commuter parking; please refer to the attached parking map.

We understand that these closures may cause temporary inconvenience, and we appreciate your patience and cooperation as we work to improve our parking structures.

For any questions or concerns, please contact the Public Works & Engineering Department at 847-368-5800.

Contact The Village with Any Questions!

If you have any questions about programs or resources for Arlington Heights businesses, or need any additional assistance from the Village, please contact Michael Mertes, Business Development Manager, at 847-368-5220 or at mmertes@vah.com.
