Held at the Arlington Heights Senior Center
1801 W. Central Rd. Arlington Heights

Registration for all November and December classes opens November 1..

To register, call 847-392-0100 or register online at <https://www.ahml.info/attend/events>

For questions or more information, call us at 847-870-3712. No fees. No library card required.

Android Phone Basics

Prerequisite: None

In this two-session class, get hands on experience using an android-based phone or tablet. Get helpful tips for using standard apps like mail and internet.

Android Phone Settings

Prerequisite: Android Phone Basics

Learn how to view and change settings for your Android phone.

iPhone Basics

Prerequisite: None

In this two-session class, get hands on experience using an iPhone or iPad. Get helpful tips for using standard iPhone and iPad apps like Mail and Safari.

iPhone Beyond Basics

Prerequisite: iPhone Basics

In this two-session class, get hands on experience sending group text messages with special effects, scan documents, use maps and more in this next level class.

iPhone Settings 1

Prerequisite: iPhone Basics

Use Settings app to customize your iPhone or iPad display, manage your device and iCloud space, and check your iPhone battery health.

iPhone Settings 2

Prerequisite: iPhone Basics

Explore the privacy and security settings offered in the latest iOS version, add emergency contacts, and customize settings for Safari and other apps.

iPhone Photos

Prerequisite: iPhone Basics

Learn the basics of taking photos with your iPhone or iPad camera.

Windows 11 Essentials

Prerequisite: basic mouse & keyboarding skills

In this two-session class, learn to find and run programs on your computer and take advantage of Windows features to find, copy, download, and properly organize your files. This course is designed for those new to Windows as well as experienced users transitioning from an earlier version of Windows.

Online Stock Screening

Prerequisite: MUST be experienced Windows User

Finviz is one of the best stock screeners for investors. In this two-session PC based class, create a Finviz stock screener to find buy and sell recommendations based on your criteria.
